

Dear local artisans,

Your local « *Chambre de métiers et de l'artisanat* », in partnership with , Alain Rio, Teacher of French as a Foreign Language for 15 years (ltd. "HVF"), wishes to offer French language workshops for people of all levels (beginners, intermediate and advanced) in your area, beginning in January 2017.

These workshops, which have a practical approach, are organized into small groups of 3 - 10 students and last for 90minutes a week.

The workshops will take place Monday afternoons in Cussac, all day Wednesday in Buissière Poitevine and Friday afternoons in Confolens.

This French as a foreign Language course is entirely financed by the council of the Chambre Régionale des Métiers de l'Artisanat of the New Aquitaine region.

We take care of all the administrative aspects of the course.

We ask just that you participate in 15 workshops throughout the term.
